To Lawrence, Pam and JaQuetta, I extend to you my deepest sympathies and prayers for comfort. Know that I cherished and respected this man. He taught me so many things, the best of which, the difference between a gentleman and a gentle man, he was both and how to keep a promise. He promised my Dad he'd always be there ..,.and he was. Not age or distance ever prevented him from staying in touch, I felt blessed that he and Jerome were able to visit when I lived in Illinois. I will miss our talks and visits. He ended each with "love you girl"... Much Love to you all.
