“ Sending Condolences to the family! Wishing your family peace during this difficult time. Holding ty out close in my thoughts! I remember when I would come over to you guys house in high school abd your dad you to light up every time he seen me abd would say come on in and get you something to eat or drink! I would come in eat then go outside to play basketball in the yard with you all. He would always be smiling but he loved all his children friends like they was his own. I love all of you guys! From the Owens family!

“ It is with heavy hearts that we send our deepest condolences. Even though we will not be there in the physical, we are there in spirit. Remembering the good times we shared worshipping, taking trips, and laughing together and he always gave me the perfect haircut. My wife (Mary) still have the Answer Bible he presented her with when she united with IGC Flint. We will miss him but will forever have warm memories to reflect on.
