“ Mrs. Pressley was such a beautiful woman of God. She was so kind and down to earth. She always made me feel welcomed. I enjoyed all our talks we had as I was growing up. I thank God for her wisdom and honesty. She was such a strong woman, and I will always remember how she would call my good friend Jennifer's name when it was her time to come home from playing. Also, when she would teach her things that would later grow her into becoming the beautiful woman she is today. She will always be a blessing. May God continue to cover the entire family, keep them strong and bring them peace and blessings. Amen

“ Miss Norma and I met at her doctor's office. I worked there and she and I formed a friendship. She and I stayed in contact after I retired. We went to lunch a few times and shared our family stories and had a lot of laughs.
Hearing, today, of her loss is heartbreaking. She was the kindest lady. I will miss our phone calls and the exchange of greeting cards.
My deepest sympathy to her Family. God needed a new angel and he found one in her. I love and will miss her forever.....

Judy Brady - October 24, 2021 at 02:00 PM

“ Thank you miss Judy. She truly cherished y'all's friendship. She would tell me all about the lunch dates and phone calls you two shared. Thank you for being a great friend to her.
