“ Maggie I am so sorry for the loss of your only son. May God bless you that you pull through this hard time. I can see it was intentionally made harder by some people but just pray against it. I am praying for you too. I remember when Trevy lived with my mom and I he was always a pleasant child smiled all the time, my mom loved him so much. I was so happy to see him this summer he walked me to the store and helped me get everything...you had the best kids...their realness and gentleness they get from you...I will always remember...

“ To the Young Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

Yours truly,
Patricia
