“ A.C. was the most loyal friend I could ever ask God for. We only had great times together. I didn't want to believe that he was actually gone! Which is why it's taken me so long to, I guess, grieve over my friend & brother. When he was here in St.Louis we ran, walked, ate, shopped, gained, lost & fought together. I never had to worry about being double crossed by him. I could trust him, he was definitely a stand up guy. We ended up on different paths but never lost love for eachother. Only regret I have is that I didn't stay on him. I apologize A.Dot I wish you were here in the flesh my friend. I no longer tear the streets up but Low could use you again. I don't count losing you as a lost but as a win. I got another angel to help me along the way and to block for me against the storms & strong gust of wind! You're greatly missed! Love bro M.Dot
