“ Oh how I will miss this lady! Mrs. Newman was so special to me! She was like a big sister and a friend all rolled into one. She was generous, kind hearted and a person who could always make you smile. She loved the kids and babies...something that we both loved...the babies. When I had mine she always would hold and play with them and keep them supplied with goodies! She did that with all the children at Vernon who came in contact with her. I love and appreciate her for that. We shared many conversations and laughs. She would keep me laughing. I'm going to miss her...and I know Vernon Chapel will too. I can go on and on but I'll stop now. This woman was a true soldier! Her work was well done. RIP always my sister Ann.
