“ To the family of Aaron McReynolds, I would like to express my heart felt condolences. Aaron was a wonderful man, he was very professional at his job, it was a delight to see him show up every night for third shift duties. He always came through and checked to see if everything was OK as second shift was coming to an end, and he made his rounds through-out the Hospital getting ready for third shift. Thank-you Aaron  
I will miss you

“ Family, I am sorry to hear that Uncle Tootie passed. I only have side-cracking memories shared with him throughout my life. He was absolutely funny💕 Never a bad word from him or about him. He was truly a stand up guy. He was just a “cool cat.” As he would say... he had his own vocabulary😄 Love you Uncle Tootie “Uncle Toot-Toot” according to his account of driving me in the rain one night when I was little. A story that never gets old. Love to all of you
