“ So many wonderful memories stand out in my mind of Sis. Austin. That beautiful smile and always, always that infectious jovial laugh. I was so excited when in her 80's she braved navigating social media. I always looked forward to her posts. The Austin's are family to me. I love you all and I am keeping you in my prayers. Hold each other close and love and support one another during this difficult time. I so wish that I could be present in person, but please know that my heart and thoughts are with you. I'm also sending love and prayers from my mom. She loved Sis. Austin dearly. Love, Peace & Prayers
