“ *To the Elliott Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question you might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ *My heart is sadden to hear of my classmate passing . He was one of my cousins best friends that walked my sister and I home from Jr High school everyday. Then they guys would hop the Buick train to their side of town. He was a gentle giant in High school. God rest his soul. To his family you have my deepest sympathy.*
