*This was My Life Long Freind and confident we used to be partners in everything we used always like sisters. We just always been around each other from Burton Gillespie Northern high school both veterans we all enjoyed it most of the same things we used like to dress nice and have fun as I heard a post saying that I've always had a smile on his face and I saw I'm not too long ago and he came to my church and then he let us pray for him. He always let me pray for him never refuse prayer. I was one of a cat. He had them two brothers though it used to be Albert Ohen, Ronnie the triple them guys were Abbott swimmers. Think they were junior lifeguards on the Burton beautiful family that Dan and I awfully we were we were. I was his son and Freind. God bless the entire family. I'm gonna miss you ever. I pray that I can see you on the other side, Carrie we believe in God for you. I've probably been knowing you as long and you all you always been my friend God made a way for us and we're gonna treasure the life forever more.
