“ *Auntie Alberta. I have let you go today, and although well be apart. For me the love you gave remains within my heart. I'll miss your smile, your loving ways, and the lessons that you shared. But how you loved, and took care of family remains uncompaired. I'm so thankful my Grandkids met you. Love and miss you.*

Uncle Russell, Shoan, and Andre, as we go on in prayer, we understand, God's timing is perfect, and His plan is absolute. Stay strong in the Word. I Love you all.

“ I met Alberta when was a young wife and mother. She lived next door to us on Josephine Street. She was always nice and friendly. I later had the pleasure of working with her. She was still the same sweet, smiling person then as she had been when she was my neighbor years before. It was so sad to read of her passing. May God bless and keep her family.

“ I entered neighborhood family as relation because that's what we were in the neighborhood....Family. Mrs. Bethay supplied me with rainbow punch kool-aid on a regular basis and it was always nice and cold! Lol. I could for many years count on her quick wave as she dashed by the house walking. My thoughts and prayers go out to you and know that God is the only source of lasting comfort. My prayer is that Holy spirit comfort and keep you as you do what you have to do at this time and the rest of the days to come. The Lord will be the lifter of your heads...psalms 3:3.
