Six children were born to his union. Alberta joined the Nation of Islam in 1957 and was a devoted follower. She was a stay at home mom and had home cooked meals everyday. Alberta was a great baker, so we had dessert everyday as well. Our father had a sweet tooth. She was known for her delicious Bean Pies. Alberta loved to shop at local thrift stores and would buy things in case someone needed something. If you needed an iron, coffee maker, mixer or a punch bowl, you could find it at mom's house and it was yours.

“ *My dear aunt as long as I can remember you have always been in my life. And that goes way back to black street on the dirt road, and probably before then. You and uncle putt have always been extremely good to me. All the times I remember spending the night over your house. I remember when y'all moved on Baltimore Street over 50 years ago. My parents children were like y'all children. Y'all care about us. Their was a closeness of our families .You was the last of my aunts. Now you are with your Loving husband, daughter, son and Loving siblings. I am going to miss our talks about every day life. We often talk about how God has been more than good to us. To my cousins I pray God's strength and comfort as we endure this heart ache , this too shall pass .Rest well Aunt sister in God's Loving arms.*
