“ To Alex Sr., Andre and Ms. Pace and the rest of the family. My heart goes out to all of you. This is something that no one is prepared for.

It's true we bring nothing into this world, And nothing we take when we pass. So the time in between we must use carefully, for only the memories will last. We hurt because you left us, we cry because you're gone: With sorrow we must say goodbye, But your memory lives on. Because of what you mean to us The loneliness will always remain. But because of all the love you gave, In our hearts, You'll live always. May God Bless the Family and pull you all through this rough time.
