“ *Oh wow where do I began, first let me say how shocked to see this post. And to offer my condolences to the family. I met Alfonso in Aurburn Hill where we test drove cars for Chrysler. Sometime they would have us ride together and other times he was my lead driver. We talked about so many things, like his wife. Alfonso was a sweet person with a very pleasant spirit. We were FB friends as well. I will miss him and his posts about gigs/where he would be playing. And when he goes camping, he was so proud of his daughter graduation. My prayers goes out to his beautiful wife and family. I call him Big AL and I will miss him.*

“ *What I remember most about Al is he was always happy and had a smile for everyone. We worked together for years at Fitzsimons/ Mark 4. Even after I left the company in 2000 he and I played FB games together for quite awhile. I will miss my old friend.*

Back in the day , Al lived down the street.... I would see him almost everyday, he was my big brother. Played music together.... Laughed together.... Hung out together along with the other Elmhurst crew. Going to miss you buddy, you will always be in my heart.
