“ Dear Daddy I will forever miss those big bear hugs you use to give me. When you hugged me I always felt safe as if you were holding me for the first time in your arms. I remember you use to tell me you don't miss your water till the well runs dry. Daddy the day you went home to be with the Lord I felt that driness my soul hurted so bad just to know that I would never get those hugs anymore or I would never be able to see your face on this earth again. We never know how much time we have here on this earth, and I thought I had a lot more time to have you in my life, but God said not so and call you home to be with him and Lil Al. I know God has a plan for everything he does and it not for me to question why? But I can say Thank you God for giving me a earthly father who took care and raised me and my brothers the best that he knew how the road was not easy at all we had some rough times. But the race is not givin to the swift nor to the strong but to the one who endurth to the end. SO LORD I THANK YOU BECAUSE NO MATTER WHAT ALFRED HOLLAND SR. MY DADDY ENDURTH TO THE END HE WAS A LOVING FATHER TO ME. WHENEVER I CALLED HIM HE WAS ALWAYS THERE FOR ME JUST LIKE MY HEAVENLY FATHER HE NEVER LEFT ME NOR FORSAKE ME. Even though he is not here on earth his spirit live in me forever.

I WILL NEVER FORGET YOU DADDY!!!!!!!

I WILL ALWAYS LOVE YOU DADDY !!!!!!!!
