“ *Dear Mrs Jacob and family,*

It was a great privilege to know CSM Alfred Jacob, an honor to serve with him in the Army, and a blessing from God to have him as a leader and friend. He was the type of leader who inspired others to accomplish the mission by his example, and he will remain a model to be emulated for his Soldiers for the remainder of their days. May God grant you all peace and comfort.

“ Uncle Al will truly be missed. I always enjoyed his company, mostly because to me he was the epitome of how an African American male should conduct and carry himself. He was the kind of person you could discuss a problem you had with and leave feeling positive with a better outlook. Uncle Al and I could also sit and talk about sports for hours. Aunt Brenda my condolences are with you, and if there is anything you need from me in your time of grief do not hesitate to ask.

“ CSM Jacob was a quiet but powerful leader. Though some of his D&C could have been sharper, he always lead with a quiet resolve and looked out for his junior enlisted and the other NCOs of his unit, placing their welfare above his own and the mission. Soldiers were his top priority, as it should be with a CSM. Peace, out.

“ Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.
