“ Lord I thank you, I just want to thank everyone for your calls prayers, food, cards and all the love you have shared with our family. Pops will truly be missed. He was the best dad in this world our family home will never be the same. I cry because he is no longer with us, as we all stood around your bed and watched you take your last breath I knew that a part of me left with you ,to all my brothers and sisters love is what we have and when it's all said and done love is what's going to get us thru. I love you.( God is in control).

“ Well my friend may be gone to live with the Lord, but he will always hold a place in my heart. I know I cannot miss him the same way you will, but I will miss him. I will miss seeing him cutting his grass, coming & going in his little red truck, & nobody can laugh like him. I think I will miss that most of all. But to you my friends, continue to be strong, keeping your faith in the Almighty. Know that we are just a phone call or a few steps away. Praying for your strength. Love, your friend, neighbor, & sister in Christ~~~~~Carolyn

“ Sister. McGee and Family just know that you are in our prayers and that we love you even though miles separate us. One thing we all know in Christ, is that the only way we don't leave here, is that we don't come here. Lennon and I remember when you and Alfred got married and he(Alfred) came to Christ, that was a joyous time of celebration. Time heals, and God said in his word he would never put more on us than we could bear. Continue to lean on HIS EVERLASTING ARMS! We love you, God Bless you and yours.

“ We are sorry to hear of the loss of your loved one. Our condolences go out to you and your family. Often during these difficult times people turn to the bible, two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these scriptures are comforting to you.
