“ *I am the Baby Sister and the only Sibling Left out of the 16 Siblings... GOD gave us a lot of years as being sisters and I thank him for that. I wanted to be there to pay my last respect. But my health is not the best. I am not worried about it because I know she has gone home to rest. She will forever be in my heart. I will remember her and all the times we spent together and all the phone conversations. We love talking about the LORD... May My Sister Rest in Peace... With Our Maker and Creator... LOVE YOUR BABY SISTER ROSE...*

“ *Even though we did not know your loved one personally. We are truly sorry for your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*
