“ *To the Badon Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that leads to death. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
