“ *I will never forget danceing and singing to Tyrone Davis with my cousin Almammie, she will be missed and she was loved. I'm sad to hear that she is gone but we are all blessed that for 65 years the earth had such a sweet mother, grandmother, great grandmother and person living among us. Thanks for the dance and funny moments Mammie, love you - Your cousin Jackie.....*

We are blessed to have had such a beautiful mother, grandmother, great grand mother and loving friend in our life. I cherish my Dear step mom's memory in my heart. We had beautiful times together singing, dancing and celebrating birthdays, grandparents day or just at home bar b ques. Marcus, Javin and Paris and the White family, we will continue to pray for strength in the LORD for the peace that passes all understanding. Mother Mammie desires us to hold on and strive to make it in to Heaven as well and not fall submissive to depression. We love you Mommy Mammie. From Robbin, Stacey, Barron, Shane, Sabrina and Turok and the Woods Family.

“ *I am sorry to hear about the death of your loved one. I too have experienced such losses and I found comfort in knowing our heavenly father Jehovah God (Psalms 83:18) is the "Father of tender mercies and the God of comfort who comforts us in all our trials". 2 Corinthians 1:3&4 The bible tells us at Isaiah 25:8, that soon Jehovah will bring an end to the suffering and death of mankind, "he will swallow up death forever and the Sovereign Lord Jehovah will wipe the tears from all faces". Death is something that Jehovah God never intended for mankind but he created us to live forever and soon his "kingdom will come and will be done on earth as it is in heaven". Matthew 6:10*

I sincerely hope these words will be comforting to you and for more encouraging information visit JW.ORG
