“ *Alvin Dyson that I knew was a somewhat quiet guy when we attended Whittier Jr. High and Southwestern H.S. He was friendly and joked once in a while but never one that got out of hand, but one that was harmless and brought a smile from the mundane atmosphere of school. I would like to send my condolences to his family and in their grief reassure them he was a upright person.*

“ *Went to Clark Elementary with Alvin in the early 60s. Always remember him smiling and cheerful.*

My condolences to those who loved him.
