“ *My condolences to the family. It was a shock to hear the transitioning of, Alvin. Yes, he is just transitioning to another location. We as believers know where we are going and there is comfort in knowing that. The leaving us is hard and I will never say that is easy. Take one day at a time and reflect on the good memories. We were from the same hometown, Wisner-Gilbert. I too will be reflecting on some of our school memories.*
