“ I can remember Mari as a baby she was a lil genius. Never known her to be trouble growing up. Calm spirited just like her mom. I wish I could be there with my friend. Trice I know it hurts but you couldn't have been a better mom. I love you! 💕💕

“ This saddens my heart so deeply. My condolences to everyone this tragic loss has affected. Amari is my cousin & I found out in the funniest way. When Trice was pregnant for her. I was one of the MA's that assisted her in the office & when Amari was born she came in for her 1st visit at about a week old. When I looked at that baby , said”whose baby is this?”. She looks like somebody I know”. When they said Delmus, I yelled “Bucky?” That’s my cousin. I will forever cherish the memory. Love to my family & Trice just know I feel your pain. A parents love for their child is unmatched. Delmus I know how much you love your daughter. Stay prayed up & lean on your family for support💜💜💜
