Thank you for thinking about my wonderful daughter Amberleen. Our first born. I still can hardly believe that you're gone, my dear. I miss you more than words could ever say. How am I supposed to live the rest of my life without my precious children by my side? It seems so unfair. I count the moments in time, until I have an opportunity to give you a great, big hug, and see your beautiful shining face, once again.

*With love, now and always
