“ *God truly blessed my daughter and her children when Tobey entered their lives. God revealed to me through my daughter Shaundeva's friend, Kenyatta that Tobey's purpose was to grace my daughter and her children's lives and reveal to them what it truly meant to be loved by a "Real" man. He fulfilled that purpose totally! And Oh God how they loved him right back! He gave my daughter a "Glow" that I've never seen before and I knew for sure that for the very first time she had fallen in love. I hurt because I so looked forward to their marriage and new beginning, but I rejoice because I know God makes no mistakes. I thank your family for shareing such a wonderful, loving, careing, compassionate young man with my children. He is absent from the body but resting in the arms of Jesus. And, for sure he left my daughter and her children with the true meaning of love in their hearts and lives and with this they are now stronger and wiser. When I think about Tobey I find laughter because he wasn't a sad, complaining person, he was happiness! God bless your family and may God rain peace and strenght down upon your hearts and lives. God bless you all.*

“ My prayers go out to The Mitchell Family. Tobey was part of our Fleming Road Family years ago. He was always with The Hoskins and he was truly a part of their family. Tobey always had a great sense of humor and could always say something to make you laugh. He would always say things about people in fun and you couldn't help but laugh. I haven't seen him in a few years but the time that I knew him he was always a great person. I will continue to keep you all in my prayers and I pray God's strength to you at this most difficult time.

“ I was deeply sadden to hear your son "Toby" had passed away. I remember him as a baby, a young boy and a man. He grew to be a good man; full of life. And he will be truly missed by peers (friends). Although I haven't seen you in a while may God give you strength during these times. Also may he bless you and your family. Heaven is waiting for him.
