“ To All the Family, May God be with during the hard and trying time. Andre was like family to me (Kool-Aid) with all the flavor. I will miss him. I am sadly displaced knowing that he is not with us. Memories of the past still in my mine. Watermelon, and BB-Q rib Tips we shared being the next door neighbors at a very early age. To the Family you have my deepest condolence and prayers for Strength through Jesus Christ our Savior.

As some people journey through life, they leave footprints wherever they go, footprints of kindness and love, courage and compassion, humor and inspiration, joy and faith, even when they are gone, we can still look back and clearly see the trail they left behind, a trail bright with hope that invite us to follow. Andre you found that journey and became an inspiration to so many, you left that kind of trail. Bea
