She would always ask about my mom and make sure I was taking good care of her, as she did with her mom. I am going to miss our talks and miss her. Rest in Heaven Big Momma! You will be missed dearly here at the Hurley!!*

“ Ms. Andrea is and was part of the ER that made me feel comfortable. When I was a resident she would tell you what to do but you quickly realized that she was looking out for us. She took care of me from residency till now. I’m at a loss for words but I know how blessed I was for having known “Big mama”. She will be missed. Rest in perfect peace. 🙏

“ Big Mama was in integral part of the Hurley ER. I loved working with her. I loved when we were in the old ER when she would cook for the entire department. I loved when she would sass the physicians, and tell the residents how to act or behave. She was light, humor, and warmth in a place that wasn't always the safest environment - physically, mentally or spiritually. Her presence alone made me smile - especially when she got that look and YOU KNEW it was going to be priceless what came out of her mouth. Rest in Heavenly Peace my friend. You are missed.

“ I am saddened by her passing. Big Mama,” (as she was respectfully called by her work family) has taught all of us a thing or two. She told it like it was with no remorse. She was both serious and funny at the same time. Our department will never be the same. No one can fill her shoes. She will be severely missed and will forever be in our hearts and in our mind. HURLEY STRONG! ❤️

To her family, I send my deepest condolences. Praying for comfort and strength during this difficult time. Please know that you had a gem that everyone had a chance to see the beauty of. 🙏
