“ I sincerely want to say from the bottom of my heart, I LOVE YOU MA!!!! I am truly heartbroken to know you are no longer here but certain God was ready for you my love. Since day one you have helped guide me, nurture me, safeguard me and provided ample peace/love and pure happiness throughout my life! I am elated to be your bonus daughter and Thank God for sending you and showering me with true intentions in real time. Ma, you told me all the time you love me and was proud of me and keep doing an awesome job! My first times doing many things in life were because of you and I will forever cherish that for the rest of my days. I had an amazing childhood growing up with my sisters and so grateful for your presence and pure heart. Honestly blessed to be able to see you here in AZ in 2023 I hugged you and melted in your arms like I was a kid all over again. I will truly miss you and forever adore you! Lastly, Phat and Ladybug I love yall and keep staying strong throughout this time of grievance which holds no bounds. Love your big sis Tina 💕💕
