“ Uncle Drew (Clyde),

The beauty about life is that you live on forever in the ones you loved and made an impression on while you were here. I don't remember you ever bothering nobody, getting angry or say anything out the way about anybody. Nobody's perfect walking this earth and that's why I thank you for your display of unconditional love and friendship. Even in your transition, you were teaching lessons we all should learn from. The unfortunate part; some won't even see or receive them...

One thing's for certain, you will be missed.

*Love and Godspeed,
-David*

“ *Unc I'm glad you don't have to suffer any longer! The Love and care you showed Ma aka Yoodley Doodley & her children were more than just the ordinary kindness from a Brother\Uncle. I'm EXTREMELY honored we are again bonded...#TEAM1115 Those epic pickup basketball games usually ending with you winning with that 'Chicago' jump shot and a laugh or the countless cologne donations that didn't meet your TOP 5. Those of us who got to experience your LOVE can never forget you. Please do me one last favor.... don't SOAR to fast with those new WINGS! Love Nephew*
