“ We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Acts 24:15 and Revelations 21:3,4. I hope that these verses are comforting to you.

“ Dearest Family of Angel, Please accept my sympathies for your family. I wish to give you comfort from a promise that is real to me. At Isaiah 25:8, God promises to "swallow up death forever"... in light of your loss, know that he will honor that promise by bringing a "new heavens and a new earth" Revelation 21:1...where all things will be made new...please read these passages.

Sincerely,

“ Dear Family, Whenever I had a call to 9 East and Angel was working, I knew that she would check to see if there was any way she could help the patient who wasn't doing well, or help me to care for that patient. Angel had a sparkle in her eyes that said she cared, and up until her illness an energy that showed how much. To loose a LOVED ONE so early in her and your years is devastating. I know mere words dont help much, but please accept my sympathy in your loss.
