“ To the Family of Angela Castleberry,  
We know words can not fill the void of a loved one loss. To see the Family come together in prayer was a blessing. These times have led many to forget the power of prayer; especially the youth. Your prayers were felt that day. If love could have saved her, she would have lived forever. May the peace that comes from the memories of loved shared comfort you all now and in the days ahead. Please accept our condolences.
