“ *Being neighbors is not just what made us close. Our closeness came more because you were one of the sweetest people I've ever known in my life. Your family...your mom, brother, husband, children, grandchildren, cousins, aunts & uncles are all like family to us. My dad cried when we told him and my sister and I joined in. We're going to miss you my "homegirl" from Belltree Lane. Kissing you in the sky...for I know God has you safe and sound. Love you much!! Sandy, Rosalyn, Mr. J and our entire family.*
