“ I am very sorry for your loss but, this comforting scripture found at Isaiah 26:19 says: "Your dead will live. My corpses will rise up. And the earth will let those powerless in death come to life. So in this scripture we see that Jehovah god will bring the dead back to life. You are also welcome to look at the comforting publications at www.jw.org.

“ Dear Family and Friends: I am deeply sorry for the loss of your dear loved one. It is very hard to lose a cherished loved one. Thankfully, we can turn to "The Most High God" Jehovah who is the "Hearer of Prayer" and a tremendous source of comfort in times of grief and distress (Psalm 46:1). Please be assured that soon death will be "swallowed up forever and tears wiped from all faces" (Isaiah 25:8). And we will have the opportunity to be reunited with our loved ones who have passed away right here on the earth, as promised at John 5:28,29. This is Almighty God's encouragement to you, the family and friends. He always keeps his promises (Titus 1:2). Please visit the website: JW.org for more of the Bible's satisfying answers to many other questions.

“ *My big booty baby as I would say to you, we just talked on the phone and you were telling me how u lost a lot of weight and it scared you. I said is your both still there and u said yea but it's leaving slowly! I'll always remember our last talk. Majority of all our talks even when u told me I was your favorite niece, little things like that are going to stick with me for the rest of my days! I love u so much I just broke down not knowing how I really felt n how close we were! As I sit here and write these words my eyes fill with water and a mind fill with thoughts and I hate the last time I'll see you is your soul absent from your beautiful body! We share the same day of birth and Carol as our middle name, we all will stand out for you in Jesus name amen!!?? I love you auntie!*

“ I will miss you soooo much auntie Boo. I will always remember when you used to tell all the girls in the family that you are going to cut our split ends. And I split ends was a lot of our hair. But that was ok cause that was the good ole days growing up with u around. You was my favorite auntie. Love you so much. You would be missed very much. God was just ready for one of his angles to come home.
