“ Mrs. Ann Marie saw me in the hallway one day and was very polite by quickly asking how I was doing that day! From that day on we became friends and always spoke when we saw each other. The one memory I will NEVER forget was seeing her drinking a 20 oz. Vernor’s pop and she told me how she wished she had a small glass that she could pour her pop into over some ice. I told her that I had a small glass she could have and she insisted that I take a plastic cup that changed colors depending on whether it was warm or cold, when I’d see her she always had that cup and forever thanked me so much for it.

*I was devastated to hear of her passing, I want to send my condolences to the family. She was an amazing woman who will be and already is missed so much!*

“ To Tina, Dwayne, Joann, and the Van Buren family I pray that God remains in the midst of everything, every thought, and every tear we cry for Aunt Marie. She has taken her rest, and earned her wings. Her love for her family, and especially her love for her God was always heard in her gentle voice whenever she spoke. My fondest memory of Aunt Marie was when I was a kid, and how she always gave me the biggest hugs, and smiled at me. When I left for the Army, and then moved to Texas, my mom would tell me that my Aunt Marie called , and she'd always ask, “How's the baby doing(ME), or how's Marty doing?” She was thoughtful, selfless, beautiful, loving, and will forever be missed, and never forgotten.
