“ I wanted to post this on my cousins site before a Mrs. Joyce Simpson posted. Please allow us privacy during this time and please do not post Jehovahs witnesses information. You seem to post information regarding the jehovahs witnesses on each deceased persons guestbook, so please, please do not do this to our relative.

Thank you, the family of Anna Durrett

“ To the family friend that wrote the 1st comment, I am in full agreement with you. I don't think family members even know who Joyce Simpson is but every time she write a tribute, the only thing that changes is the name. This space is for people who know the family and it's members personally. Not somebody that's only after students. We don't appreciate your comments Joyce because they are not heart-felt.
