Anna has been a dear friend and fabulous co-worker. We have shared many good laughs on third shift. This picture is one that I took as a MT intern in the lab 25 years ago. Sincere prayers of comfort and peace are being sent to Anna's family. She spoke lovingly of her family often.

"God saw you getting tired and a cure was not to be, so He put his arms around you and whispered, "Come to Me". With tearful eyes we watched you, and saw you fade away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best."

“ To the Harrison family: I am sorry to read of your loss. We are never prepared for the passing of our loved ones, and this is because we were not created to die. Our Creator created mankind to live forever. Soon God will return the earth back to a paradise and much asleep in death will be able to live on earth eternally. Please read in your Bible Ecclesiastes 3:11 and John 5:28-29 for comfort from God's words.

“*"To Whom Needs Comfort"*

*Daily we see our loves ones suffer in ways that touches our heart
Sickness, death, diseases, etc. all have a way of causing grief. But
when
someone close to you is taken away by falling asleep in death. To
recover, is
a road that takes sometime, maybe months or years but no one
knows. Death today
may put a stamp on our love ones as if we will never see them
again. But in such
cases that may not be so. For those who live a long time can be
describe as a bible
verse (Psalm.90:10).No doubt we have high hopes that our loved
one is going to heaven to not feel pain, no suffering, and no cause
for worrying, but what about living again on the earth. I found
comfort in many ways here is one way.(www.jw.org)*

“*Anna's will be greatly missed, I had the joy of working with Anna for
many years, I pray for her family for comfort and peace. Anna loved
her children and grandchildren with all her heart. I will miss so many
things about Anna, her smile, her love for crafts, her joy of talking
about her grandchildren and her love for her Hurley family. Anna I
love and will miss you. You never complained or wanted anyone to
pity you, when asked how you were doing you always said good, we
need more people like you.*

“ Sending my deepest sympathy to the fam/friends....So happy that I had the chance to eat, laugh & talk with Anna at my sister Sandra's house. The last couple of months was so much fun with the three of us. It reminded me of old times...just talking, eating, laughing and being free to relax with a old friend. I prayed and cried but, I know that all things is in GODS hands and he has the finally say so. Yes, im hurt and no I don't want Anna to be gone. But, I know that she is free and resting in Heaven..I love you Anna and I will really miss you. May God continue to comfort and guide her family. RIH, ANNA
