“ *To the Boozer Family, My prayers are with you. God will heal all pain. I remember Ms. Boozer when I was a little gir about 3 years old and she stayed in that big brick house. I just wanted to give the family some words of encouragement. Know that she is in a better place and the she lived a wonderful life. The length of her lifespan should let the family know that she already has her spot in Heaven.*

Always,

The Teverbaugh Family
