“ *Deeply saddened and struggling to find comforting words to convey my condolences. Knowing Annette, one of her greatest attributes would be emerging at this point; she would be directing me to quote a befitting bible scripture and it would be on point! I adored her spirit, courage, thoughtfulness, and fortitude. Our marathon chats meant the world to me. She deposited some great wisdom into my life. May God bless your family immensely. – He has called home his angel to carry out a new mission. Love, Regina G. Blair*
