“ *with deepest sympathy may the spirt of God bring you comfort today,tomorrow, and always*

“ *When the fall is at winters door
grandma's life here on earth will be no more
For the heavenly Father is calling her
to be with Him for eternity
she know's she will miss her loved ones here
but the time will someday come
When the clouds above will part
And our Savior will appear.*

*So when she cross that Jordan river
and reach the other side
where pain and death will have no place
In Gods Wondrous domain she will forever abide.
Do not weep or mourn for her
for she is forever safe
and one day we all will be
together forever with God eternally.*
