“ *My deepest condolences to my forever friend's. We grew up together in Atherton Terrace, Mrs. Miller allowed me to have dinner at their home, spend the night with Stephanie, even though, I'm 80% sure that I got on her nerves from time-to-time with all of my questions. lol (my inquisitive stage). More importantly she always allowed me to come back. It broke my heart to hear that Mrs. Miller was ill and, in the hospital, I could see the sadness in Stephanie's eyes. When I think of my childhood, your mom is a big part of those memories, she will always be remembered, never to be forgotten. Love you all.*

I would like to leave you all with these words of comfort as it is written in the Bible... To be absent from the body, is to be present with the Lord.
