“ She was my Aunt. I do remember we had so good times together. As a small child I would comb her hair and roll it up for her. When I use to visit them she would get all my favorite foods.

“ I was Mrs. Annie's Nurse Aide for several yrs. It was such a pleasure knowing her and helping the family with her daily care. I love Mrs. Annie so much and I am going to miss her. I am so hurt to hear of her passing but thankful to know she is happy, healthy again and gone home to be with our father in heaven. She was such a sweet and caring woman. Mrs. Annie had the biggest heart and she loved her family and caregivers so much. She always showed her love and appreciation to us. We shared lots of prayers, hugs and I love you's with Mrs. Annie. She was my most favorite patient/friend. Her son Everett and his wife Kim took very good care of their loving Mother. They showed her caregivers much love and appreciation also. Praying for her family, love you all and let's please keep in touch. God Bless u all. ~SheridaSimsCNA~💕
