“ Hey babe, today marks 6 years of your passing. Oh how I wish we had one more moment together. Your grandkids looks at your urn and says that's my paw paw Anthony. You never met Paxtin Lexus was pregnant with him when you passed but he says he know you and I don't battle him,Paitin has her days she act funny. I tried for the last couple of years to hold back on writing on here and just sending messages through your inbox, but it still has the same pain. I love and miss you so much.

“ I love and miss you so much. There is so much that has changed in my life since you have passed away. A lot of good things, but they are nothing without you. Bay, I cry everyday it seems like it's been forever. Devin been holding me down he is always there, Marvin calls regularly and let's me know he is there when I need him. Bay, I just wish we had one more moment that never ended. I love you sooooo much words could never explain or confess my love for you. I know you are resting in Jesus bosom, and did you see my little cousin? Tell him I said rock me tonight for old time sakes. He was just four when he passed you would of lived the kid. Gotta go for now but never ending my love for you.

“ Today your she'll finally got to rest. We had a great time, I know you were watching down on us. Because I felt your presence. This is really real you are no longer walking this earth, which is so hard to believe. But I know you are in a better place now. I cannot wait to see you again. I love you and we will always be together.

“ To my family...I share in this loss with you but I am reminded of the memories that I have of Anthony! Knowing that he IS a warrior has encouraged me to stay in the race and keep my head up...and hold on to the UNFAILING love of Jesus Christ. Although we may miss his smile, his laugh, his humor and his presence, we KNOW that he IS in the safety of the Father who loves him more! Be encouraged my beloveds and cherish the memories that we ALL had the opportunity to know such a BLESSING of a man named...ANTHONY "CHUBBS" COLEMAN ;-) Forever in my prayers....
