“ AJ, baby, I miss your sweet smile as you rocked on the couch. I miss me you and papa having our meals together. I miss us getting those slushy drinks for our dessert after the magnificent feasts your papa would fix us.

Thank you for allowing me to hug you sometimes.

I love you always

AJ & Mr. Allen, you both will be missed dearly and the only comfort in all of this is that you two are still together taking care of one another. You two were inseparable but we all loved you two as one person. Mr. Jones, you were a God sent for Anthony because you gave your life to care for him and you did a beautiful job! AJ, you brought a smile to my face each and everytime I was blessed with your presence. You two have carved places in the hearts of all who knew you both. Grandpa give AJ a big hug for me and AJ you continue to listen to your grandfather. Love you both ❤️

“ Standing up for others takes courage. Anthony was part of the Unified Movement, accepting and including others for who they are. While he will be greatly missed by the Waverly and Special Olympics Unified communities, his impact will live on. We are thinking of Anthony's family.

“ My heart is heavy today. Losing a student is not something you can prepare for. Anthony spoke volumes thru his words, actions, and movements. My heart is full knowing he is with his grandpa. Anthony is the true meaning of Unified and has changed our culture at WHS. We will miss him dearly.

“ AJ - you always had a smile on your face and always worked so hard. Your grandpa always told us that you two were the best of friends and we (your teachers) loved watching you work together while we together virtually. I have heard so many amazing stories of how you have touched the lives of so many staff and students at Waverly HS. I am so proud to be one of your teachers. Take care of your grandpa! Your Waverly family will miss you dearly.

“ AJ - I was able to meet you and work with you for the first time this school year as your speech therapist. You brought such joy to us with your infectious smile and wave hello at the beginning of every class. I loved that you were using your iPad to communicate with us, even when you didn't want to (Thank you Mr. Jones for making that happen). It was clear to all of us that you and your grandfather loved each other very much and your relationship was inspirational. We, your Waverly Schools Family, will miss you every day.

“ Anthony my Anthony. Met you your freshmen year and what a beautiful person you are. Really got to know you as a person these last two years and when they say teachers help students they are right however Anthony you helped me more than you will ever know. You are pure you are kind you are the best of the best and one of a kind. I adore the relationship that you and your grandfather Mr. Jones had and you are able to continue this with him. The Waverly family is in total disbelief over this and we promise you won't be forgotten. Fly high Anthony spread your wings. The waverly family and I love you
