“ I miss you cuz, I hurt that you transitioned into another universe. But it's a place that I know you love and at peace. I just wish I could've talk to you once again before you passed. Just know that I will keep your name, and vision alive cuz. You was like a big brother I never had, you never told me nothing wrong. And you always had my back no matter what. I'm going to miss that about you. But just hold me down, and watch over me cuz. Til we meet again my brother. Love you cuz
