Mr. Antoine Charles Alexander was born February 17, 1986 in Flint, Michigan, the son of Donita Lacy and Clayton Alexander. Our friend and brother, Antoine Charles Alexander most known by, "A.C." was cherish by his mother, Donita, his family and everyone who had the honor to call him friend. Born in Flint, he lived in Auburn Hills, MI. He graduated from Baker College in Flint as a Pharmacy Technician. Antoine was also well loved by his church and church family at Mt. Carmel Baptist Church SBC. At any given time, you would see his special smile and heart of gold, that doesn't come close to describe "A.C.". Outside of being a kind and knowledgeable man, he was hardworking and determined. He always had a way with people. Antoine worked with the Boy Scouts at the summer camp, he was a Team Member at Meijer, Roush and Best Buy. Antoine touched many lives. The best way to describe him was always the cool guy (always cool "A.C."), and his smile was infectious. Every time he shared one of his many memories, you couldn't help or laugh or smile. He was a man who was the life of the party. If you were at work, a gathering or

just handing out, if he was there all you had to do was listen for the laughs and there he was. Antoine changed many lives from the children he mentored at the Boy Scout Camp, to the people he met at work and church. Being the man, he was the friend indeed when you were the friend in need. Antoine was always there for advice to a helping hand. His caring heart and his ear to ear grin was a gift greater than treasure, it made a bad day a good day and a good day a great day. Our friend, Antoine C. Alexander is gone but never will be forgotten. It's hard to forget someone, who gave us so much to remember. Rest in loved and peace our dear brother.

Mr. Antoine Charles Alexander leaves to cherish his memory: mother, Donita Lacy-Alexander; father, Clayton Alexander; grandmother, Mrs. Johnnie Lucille Lacy; granduncle/god-father, Wesley P. Stone; a host of aunts, uncles, cousins, other relatives and friends including special friends, Benjamin Roberts, James Brown, Josh Hintz, Mary Hintz, Alex Williams, Kyle Roelle, Brock Atamer, Matt Blondeel, Raa'Shaun, Marcus Hunter, Ian Pelka, George Crowder, Ashley Crowder, Stacey Kenner, Tommy Locke, Carrie Peters Hoffman, Jalessa Warren, Jasmine Pryor, Tony Parks, Nathaniel Thornton, Marshall Newburn Jr., Robert Leask and Amanda Stonecipher. As my nephew was laid to rest today I want to express the reason positivity is so important. In a world of negative words and actions one positive voice can change you life and direction Don't seek the positive voice, instead be the positive voice.

“ *I worked with A.C. for years at Meijer and during that time he became one of my best friends, we would go and hang out at mainstreet billiards very often. He was always helping others and taking care of the people he cared about. I will miss his smirk, and his big teddy bear hugs. I will miss you my friend.*

“ *A.C. along with a beautiful voice could change a room with his presence. I will remember him as the cute little boy that I played with when he was a baby. The laughter and smiles will truly be missed.*

“ *The angels looked down from heaven one night.
They searched for miles afar,
And deep within the distance
They could see a shining star.*

*They knew that very instant
That the star was theirs to gain,
So they took you up to heaven,
Forever to remain.*

*Look down on us from heaven.
Keep us free from hurt and pain.
You'll always be within our heart
Until we meet again.*

AC, you meant so much to so many people. You most definitely was that shining star.

Always smiling and helping whenever you could, you had the biggest heart. You will be missed by many. The light is low without you here. We truly loved you AC.
