“ Im.. disgusted about this Drake. I never had a brother before but you being around all those years with my sister, living with us made me feel like you were the first brother i ever had. Memories of riding in the backseat with you & my sister in the front vibing to the music. I remember hearing your music playing, couldnt even pull up anywhere without ppl calling your name, thinking i wanna be famous like that 🌐 My funniest memory is learning how to fry food bc of watching you & my sister cook together in the morning for all of us kids. You were what i thought a brother felt like. You made my sister a mom & it just sealed the deal. The only person our mom welcomed any day at anytime lol. T-Drake the GOAT. You did your big 1 here on Earth. May the next life be abundant as well. Rest peacefully

“ T Drake with all the good you have done for one another some could write a book. You saved lives, you gave life, you showed love && demonstrated joy to really live thy neighbor. You were so spiritual you were so vibrated so high of a frequency everyone wanted to be around you. You attracted everyone and showed the up most respect not only to the owner but would give respect to the janitor if needed.

You are golden you are the best, you are love, I hate that you are at rest.

Bro I love you and I will forever keep your name alive

I love y'all, my second family. I'm praying for your strengths. I'm praying for your hearts and your minds. To Antonio, Bro... We love you. You have always been an amazing brother to me as well and have looked out for me in ways only you and I can speak on. I appreciate your love for your family and your protection for all the kids and women in your life. I've never met anyone like you. I'm thankful to know who you are. The definition of Protector. 🙏🏻 Rest Heavenly, Bro. ☐

Vaytis , It was 2 months and 2 days ago when I lost my son so I know where you are. There really are no words to help that feeling you are experiencing right now, just know that we all are wanting to help the hurt and knowing only God will be able to do that. I am praying for you, I didn't know this was your son but just know that if you call on Jesus, he answers prayers and will see you through. I love you, Auntie Barbra.
