“ One of the best memories ever: Mr. and Mrs. Henry were complimenting each other on nice they were dressed. After thanking Mrs. Henry for her compliment, Mr. Henry says, "This the best you gone get baby!" Patricia Henry and I have been friends for 20 years and I must say, I enjoyed watching the love, her and her husband showed each other for almost 20 years. Tricia, I ask God to give you strength and peace during this difficult time, in Jesus name! love you

“ Patricia, I am so sorry for your loss as you know Anvil was a good man, one of the last conversations I had with him was about Horse Racing, I told him I was thinking about going to the Track ,he told me if I went to bet on the number 5 horse he said the number 5 horse always wins or takes 2nd or 3rd place 2 years later I go to the track in Florida I get a program telling you the races and how the horse has finished in the last 5 or ten races I check it out remembering what Anvil told me, in the first race the number five horse was terrible, had big odds against him he was 30 to one to win ,so I thought to myself sorry Anvil cant bet on the number 5 horse in this race so I picked another horse you know the rest, number 5 came in first for the first time in months number 5 won a race...after that I started betting on the number 5 horse to win place or show I won more then I lost that day thanks Anvil for the great advice RIH.
