“ *RAY and Dea. Elam Praise God for the life of Arbedella. She was such an inspiration to me. She always had a smile and a positive outlook on life. She will be greatly missed. The Sunday before she went on to be with the Lord, I saw her at church. As we hugged she paid me a nice compliment. She was smiling and looking beautiful (as usual). It never crossed my mind that it would be the last time. But glory to God it's not really the last time is it? We will see her again and oh what a Day that will be! Elam Family -- may God strengthen you and remind you that He is the great Comforter. He will be with you as you remember the good times you had with Arbedella. You have my prayers.*

“ *To the Elam and Kahee families:
I was saddened to hear of the passing of Arbedella. I met her on Cornelia street. Everyday we would ride bikes together. We attended the same church and sang in the choir together. When the old neighborhood was being demolished my family followed Arbedella's to a new neighborhood. I was somewhat skeptical at first but I thought if the Kahee's are here this must be OK. Arbedella was always reassuring and so positive. She always said it will be alright. In Della I had a friend, I made new friends but I kept the old because Arbedella's friendship was definitely GOLD. My prayers are with the family*

“ *Robbie & the Elam Family. It was with great sadness that I learned of the homegoing of Della. We worked side-by-side at Delphi and she was such a wonderful spirit. I will always remember her sweet smile and encouraging words. We know that she fought a good fight and has finished her course. May God give you and your family comfort during this time of sorrow. Our prayers are with you.*

“ Dear Elam Family,

Please know we will miss Arbedella. We enjoyed her smile when we would see her at church. It will not be the same not seeing her sitting there smiling. It is a blessing to know she is with our Father. She will be with us always but it does not stop us from missing her.

Your family will be in our prayers. Remember God makes no mistakes even when we do not understand.

Your sister in Christ,

“ We had no ideal that when we hugged Della in church a week ago, that it would be the last hug she would receive and give to us. We will miss her. She fought a good fight, she was very faithful, even during her illness she would attend church. Our prayers are with the entire family. She will remain in our hearts always. I know that God will see you through.
