Honorable Judge Archie Lee Hayman, peacefully entered eternal rest on Friday, March 14, 2025, at his home surrounded by the love of his devoted wife. Judge Archie L. Hayman was born on October 10, 1956 in Flint, Michigan. His life was a testament of faith, justice and unwavering commitment to his family and community throughout his distinguished career. Judge Hayman dedicated himself to upholding the law with integrity and compassion, leaving an indelible impact on those he served. Beyond the courtroom, he was a loving husband, a caring father, a cherished friend and a pillar of wisdom and strength. While his physical presence will be deeply missed, his legacy of fairness, kindness, and faith will live on in the hearts of all who knew him. We take comfort in knowing that he now rests in the loving arms of the Lord. Judge Hayman was raised in Flint and was a proud graduate of Flint Northwestern High School where he completed his studies on June 21, 1974. His pursuit of education and justice led him to Mott

Community College, followed by the University of Michigan, where he further honed his passion for the law. Determined to serve his community through the legal system, he continued his studies at the Detroit College of Law, earning his law degree. Beyond his professional accomplishments, Archie found great joy in life's adventures. He had a passion for riding his Harley-Davidson motorcycles. Traveling with his wife and family was his greatest joy, as he loved discovering new experiences and making cherished memories along the way. A devoted reader, Archie was especially passionate about the Bible, drawing wisdom and guidance from its teachings throughout his life. His faith was a cornerstone of his character, shaping the way he lived and served others. “ To the Hayman family 30 years ago I was a police officer in Flint. On occasion I'd run into Archie, usually defending someone. Once in court, he told me I had the jury going my way until I testified. Client found guilty armed robbery. Asked him do you want me to lie in court. Another time, Archie had an alarm call on his office. I and a couple officers caught a gu inside his office trying to get away with some stolen articles. I don't remember if we called his house but found out he was at the Palace watching the pistons. So I called the Palace and paged him. They told him to call his office. He did and I answered Hayman Attorney at law officer Drobish speaking how may I direct your call. Of course he laughed, I told him we'd arrested a guy that broke into his office and did he want to press charges. Of course he said yes. I told him he's going to need a good attorney and did Archie want me to give him one of his business cards. Today i was at a mock conference for Alcoholic Anonymous and met a guy Daniel Lewis, who gave me Archie's obituary. Two people that changed their lives around and Donald told me Archie was an influence in his. Sorry for your loss of husband and father, but every time in the past when Archie's name came up I would smile knowing he did a great service not only as a lawyer but then as a Judge too. May he rest in peace in Heaven

Rest peacefully Mr. Hayman. I never knew you were sick. I remember talking to you off and on Downtown Flint as I walked away from the UofM. You offered me to clerk for you if I was already finished with law school. I thank you for that. I thought about having you represent me in this bogus case against a racist lying police chief. I know you would have done well to help me. Rest peacefully now Bro. Hayman. I won't forget you.

“ I remember Archie, my cousin Ezra and about 10 or more boys walking my sister, my friend and I home from Lowell Jr high School each day in the spring . They would hop the Buick train and ride across Pierson rd to their Selby neighborhood. I am also thankful to God as Judge, he gave my son and nephew a second chance when they got in some trouble as young teens. They both never got in trouble again and are fine hard working young men today. Thank you Archie Judge Friend Classmate Hayman for being a great person in our lives. I know God will say servant well done. Praying for his entire family.

“ To the Hayman Family

I would like to express my heartfelt gratitude and deepest condolences for the loss of Judge Archie Hayman. I had the honor of knowing him as a respected judge in Flint for many years, but it was through his wonderful wife, Tonya Fields-Hayman, that I truly came to appreciate the depth of his character as an attorney.

Archie and Tonya welcomed me into their home with warmth and kindness, where I enjoyed many meals filled with laughter and music. Their hospitality created a sense of community that I will always cherish. Whenever I sought legal counsel, Archie was there to offer his wisdom and support, especially during my advocacy for my brother, who was wrongfully convicted. His guidance was invaluable during that challenging time.

Together, Archie and Tonya were a remarkable power couple, embodying love and dedication not only to each other but also to the city of Flint, where they both served with distinction. I am truly grateful for the impact they had on my life and the lives of so many others.

My thoughts and prayers are with the Hayman family and the entire Flint community during this difficult time. Archie stood firm in his convictions while facing his own personal battles, and he will be remembered as a soldier in the army of the Most High God.

Rest in peace, Judge Hayman. Your legacy of service and compassion will continue to inspire us all for truth never dies but live on forever.

*With deepest respect and sympathy,

“ *My condolences to the entire Hayman family. May God comfort you and lift you up during this most difficult time. I knew Judge through the Courts, both District Court and Circuit Court, we both worked in the same building. He was always a great attorney and a better Judge. May he rest in eternal peace.*

“ *Judge Hayman listened intently to every lawyer; offered insightful, fair advice to counsel and those who appeared before him; established fixed, firm deadlines for trials where and when proper and the opposing litigants were prepared and ready, so as to avoid unnecessary delay (so resolution would not be prolonged and families forced to wait longer than needed). Meaning, he was efficient, but also accommodating where lawyers needed time to complete discovery and prepare their clients' claims and defenses, etc.*

Judge Hayman was always fair; he often mixed his lectures and admonishments from the Bench with stories and respectful humor. That always helped lessen the tension, the anxieties in the courtroom, if only for a moment or a few minutes.

These are a few memories and my eternal respect for Judge Archie Hayman.

“ My condolences and prayers to the entire Hayman family. I had the pleasure of working with Archie Hayman at Flint Truck and Bus years ago. After he became a Judge, he afforded me the opportunity to make intermittent visits to his courtroom with several of my young people from my church. We visited on Thursdays when he presided over Juvenile cases. The goal of the visits was to deter our youth from entering the juvenile system. The impact these visits had on our youth was immeasurable and an experience they never forgot. Grown now, many still talk about their courtroom experiences to this day. I will forever hold Judge Hayman in the highest esteem for the genuine compassion he showed young people, even as he had to impose sentencing. He was fair, fought for justice, and most certainly served with integrity. Judge Hayman will be greatly missed. May God comfort and strengthen the family, during this difficult period, as only He can.

“ Our Prayers and Condolences go out to the entire Hayman Family in the loss of Archie. Me and Archie took similar paths to become lawyers. When Archie was working full time at GM Truck & Bus in Flint, I was working at Chevrolet Metal Fab, we were both working full time jobs and attending law school at the same time. Archie was attending law school in Detroit, while I was attending law school in Lansing. We were both sworn in as Attorneys in the State of Michigan at the same time in 1985. Therefore, our connection covered over 40 years. Archie was a great person and a friend, who will be dearly missed. I had the opportunity to handle cases before him while he served both as a District Judge, and as a Circuit Judge, before moving away from the Flint area. May God Comfort the family, during this difficult period of Bereavement, Attorney Hewitt Chatman, and Family, Plant City, FL.

“ With love & prayers to the "entire family" of Brother Archie Hayman. May God grant each of you His comfort, strength and peace during this most trying time. Remembering the days of Vernon Chapel A.M.E. Church, where Brother Hayman sat quietly in his same spot for years. Though times had changed our love & affection for our, beloved brother had not! The peace of God be with each of you. 💙
