“ *Arden was a very important man in my life. Growing up as a child he was a positive role model that was there for me whenever I needed him. He was my family and I will truly miss him. Arden you may be gone but I will always have and cherish my memories & good times that we have shared. Heaven just received not a good man but a "great" man.*

*I love you Arden...you will always hold a special place in my heart. ( Condolences & special prayers to the rest of the famy ).*

“ *Arden was my adopted godfather and was a huge inspiration to me growing up. He was a kind and gentle man who treated me like I was his actual son. I wouldn't be the man that I am today without his support and guidance! Unfortunately, I fell out of contact with him and the family over the years, they always will have a special place in my heart. Deepest sympathy to the family!*

*Love, Robert "June" Cannon*
